STAT

Thank you for writing to us about your plans to publish an English-Dari Dictionary and also about the project of Professor Gouttiere of the University of Nebraska to publish a companion volume, Dari-English Dictionary. We, in the Foreign Broadcast Information Service, are normally interested in such reference material and do purchase a few copies from local bookstores. There is no other helpful suggestion we can offer.

We will be on the lookout for the dictionaries and want to wish you success in your endeavors.

Yours truly,

Director
